

Edit corporate actions in Spark

Split, Buy-Out, Return of Capital, Capitalized Cost, Spin-off, Stock dividends can be edited or deleted* from Corporate Actions.

Cash dividends can be edited by Transaction Hist report (editing trades related to this Corporate Action).

Corporate Action windows allow users to DELETE an already inserted corporate action and re-insert it with new values.

*It is **NOT POSSIBLE** to edit a Corporate action with an ExecutedDate equal to or less than today.

Cash Dividend - Look for DIV trades in Transaction History report, identify them, and edit-delete them if needed in order to edit this corporate action.
